### President's Corner

Hello everyone,

This year should be a promising year. We hope to have a growing year for the DFMA. We look forward to gaining new members, and all the new and exciting things our existing members will bring this year. I look forward to working with each one of you.

Come to the DFMA meetings if you can; Mac works very hard to have great subjects presented at our monthly meetings. Check out the DFMA web site also. We are trying to keep the site up to date on events that are coming up.

I hope 2007 will bring new and exciting adventures for all of us in the DFMA.
