

(7:55pm) This is {your call}. The DFMA Net will begin in 5 minutes. If you are new to the area or passing through and would like to join us, the repeater frequency you are hearing is 145.450. It has a negative offset and a tone of 82.5. Again the net begins in about 5 minutes. Please make any urgent calls now.

(8:00pm) Calling the DFMA Thursday Night Net. Calling the DFMA Thursday Night Net. This is {name, phonetic call} serving as Net Control. This net meets on Thursday nights at 8pm on the 145.450 DFMA repeater with a tone of 82.5. The order of business is Check Ins, Announcements and then the Rag Chew. This is a directed net, using the same procedure that would apply in an actual emergency.

Is there a back up net control on frequency? (Acknowledge back up, check back with them occasionally to see if they copied the check-ins successfully)

When checking in, say your phonetic call sign slowly, pause and listen briefly to avoid doubling, then give your name and location. If you do not wish to participate in the rag-chew portion, indicate with "In and Out" when you check in.

( ) - - - Any stations with emergency, priority or time-value traffic, call net control, {call}

\_\_\_\_\_ ( ) \_\_\_\_\_ ( ) \_\_\_\_\_ ( ) \_\_\_\_\_ ( ) \_\_\_\_\_ ( ) \_\_\_\_\_ ( )  
\_\_\_\_\_ ( )

*Deal with any emergency traffic now.*

( ) - - - Any mobile or portable stations who may move out of range, call net control, {call}

*Log, acknowledge additional stations*

( ) - - - *Go through the list with the rag chew*

This concludes tonight's DFMA Net. Join us again next Thursday evening at 8pm.  
Thanks to the DFMA for the use of the WR4AGC 145.450 repeater.

A special thanks to all who checked in or just listened to tonight's net. Your dedication to amateur radio is duly noted and appreciated.

Please continue to grow the hobby and support the efforts of others who encourage and facilitate amateur radio.

This is {*call sign*} returning the repeater to regular amateur use.
