

# **FIELD DAY 2019 – SETUP DAY POTLUCK DINNER**

## **June 21<sup>st</sup>, 2019 6:00PM**

Good day, I'm John Boone, KM4MDR and I have volunteered to coordinate planning for the potluck dinner and to assist Wilson, W4BOH.

Field Day 2019 is fast approaching us on June 22<sup>nd</sup> - 23<sup>rd</sup>, 2019. The combined OCRA/DFMA Field Day event will once again be hosted by Wilson, W4BOH and Dee Anne Lamb at their QTH in Hillsborough, NC.

Please see the Field Day information available from either club for specifics. These details will be discussed at the respective club meetings prior to Field Day and you can also look at the various club websites and reflector. A significant amount of setup is done in advance of the actual Field Day(s). Please volunteer to help setup and breakdown, as always, your help is appreciated.

**Setup day** this year will be **Friday, June 21<sup>st</sup>, 2019** at the Field Day site. Following the day's setup activities, Wilson and Dee Anne will be hosting a joint club, potluck dinner that will begin at 6:00 PM.

Wilson will be cooking a number of pork butts in his smoker and the rest of us will provide the accompanying items for dinner. Please bring your favorite vegetable dishes, baked beans, potato salad, cole slaw, desserts, etc., to complement Wilson's fine cooking. Chips & dip and vegetable platters are always welcome too.

If you do not prefer the BBQ pork as your main entree, feel free to bring your choice, but be sure to bring it early enough so it can be ready for dinner. A grill will be available.

We will have Iced Tea, Water, and assorted sodas available as well as ice. If you prefer something else, you are welcome to bring your own drinks.

**NOTE:** *The clubs do not provide BEER or other alcoholic drinks but you are welcome to bring your own. Please bring your own coolers and ice if you bring beer. The coolers provided by the clubs are for soda and water. (Please note that the consumption of alcoholic beverages during the FD setup activities is prohibited for safety and liability reasons)*

*We would appreciate your letting us know in advance so we can better plan for the number of guests. Spouses are welcome.*

**Please contact me by email, phone, or face to face to let us know you plan to attend the potluck.**

***KM4MDR, John Boone, Phone is (919) 971-9132, Email is jsboone @ msn . com*** (no spaces)

I will need your Callsign, Name(s), number of folks attending, the dish you plan to bring, any special requirements you have, your phone # or email address and if you can help setup for dinner or clean up after dinner.

*Please let me know as soon as possible .*

*Best Regards, John, KM4MDR*
